(Example: 12345678900 or 12345678901)
- ✔ Make sure your ZIP code matches the one on file with Providence Health Plan
- ✔ Use a personal email address for your account
- ✔ If you don't receive an activation link, please check your junk folder
- ✔ **NOTE:** Dependents must use their own personal email address when registering their account

For help with registration or login, call the myProvidence Help Desk at **877-569-7768**, Monday through Friday, 8 a.m. to 5 p.m. (Pacific Time).

Member Portal Features

My Health Plan

Benefits Documents

View your member materials to learn about:

- How to use your plan coverage
- Covered services and costs
- Plan benefits, and more

Claims & Explanation of Benefits (EOB)

Reference claims and understand how health care services were billed.

Your EOB includes:

- Services provided
- Provider's billed amount
- Amount covered by insurance
- Member responsibility
- Reasons for denial (if any)

Pharmacy Information

Go to "Drug Lists" to see a list of FDA-approved drugs covered by your plan. The list includes:

- Brand-name, generic, and specialty medications
- Medications that require approval, that are part of a step therapy program, or have refill limits

Benefit Usage

View your annual deductible and out-of-pocket maximum progress. Once you reach these limits:

- Insurance begins to pay a portion of your healthcare costs (deductible)
- Insurance typically covers most of your covered healthcare costs (out-of-pocket maximum)

My Providers

My Providers

Find in-network providers, pharmacies, and facilities, or select the PCP of your choice. The directory includes:

- Providers and pharmacies tailored to your plan network
- Filters such as language, gender, race, ethnicity, and more

Care Options

You have options when it comes to getting the care you need, when you need it.

My Tools

Estimate Costs

Estimate medical, pharmacy, and dental treatment costs. You're able to:

- Compare costs among providers and pharmacies
- Find copay and coinsurance information for services

ID Card Management

View your member ID card for plan details such as:

- Member and Group ID
- Covered plan network
- Care resources
- Claims submission information

Find a Provider

Customize your provider search in three easy steps.

It's easy to find in-network providers using the online provider directory. Whether you need a primary care provider, specialist, medical home, pharmacy or facility, you'll find what you're looking for in just a few clicks.

Here's how to search for a provider:

01

Two ways to search

- Log into your account at myProvidence.com, then select "Find a Provider"
- Visit ProvidenceHealthPlan.com/FindAProvider and search using your member ID number or provider network

02

Tailor your search

Select "Find a Provider," then search by provider type, service, or facility

03

Customize results

Use the left menu to further customize your search with personal identifiers

Filter results by:

- Type/Specialty
- Location
- Hospital affiliation
- Gender
- Language(s) spoken
- Race and ethnicity
- Religious community(ies)
- Personal identity
- Cultural competency
- LGBTQ+
- Communities of interest

For assistance, call Customer Service at **503-574-7500** or **800-878-4445 (TTY: 711)**, Monday through Friday, 8 a.m. to 5 p.m. (Pacific Time).

Care Options

With several options to choose from, you can get the care you need - at home, or in person - anytime, anywhere.

Primary Care

Visit your Primary Care Provider (PCP) to build a relationship and establish a personalized health history. If you need a primary care provider, visit myProvidence.com and select "Find a Provider" after logging in. Then choose Primary Care Providers.

Telehealth (Phone or Video Appointment)*

Arrange a phone appointment to talk with your provider from wherever you are. Schedule a visit with your PCP or specialist using a video conferencing platform such as Zoom.

24/7 Nurse Advice Line (ProvRN)

Speak with a registered nurse anytime, any day, when you have a health concern, a sick newborn, or just need advice - it's a simple first step to determine if you need in-person care. Have your member ID number available and call [800-700-0481](tel:800-700-0481).

ExpressCare Virtual

Connect to care in minutes via phone or video to treat conditions like common colds, flu and fever, or infections like pink eye, laryngitis, or bronchitis. Reproductive and pediatric health concerns can be addressed at these virtual visits, along with prescription refills, and scheduling labs or procedures. To get started, visit Providence.org/Services/ExpressCare-Virtual.

ExpressCare Clinics

Find a same-day in-person appointment or walk-in where available. Treat common conditions like a cold, sore throat, or allergies. Most clinics are open from either 7 a.m. to 7 p.m. or 8 a.m. to 8 p.m. (Pacific Time). To find a location and schedule an appointment, visit Providence.org/ExpressCare.

Urgent Care

Urgent care is where you turn when you can't wait for a primary care appointment for minor injuries like cuts, burns, and pains. To find an urgent care clinic, login to myProvidence.com and select "Find a Provider." Then choose "Find a Service or Place; Urgent Care Clinic."

Emergency Care

Call 911 or go to the nearest emergency room if you think your life is in danger. Use for symptoms like suspected heart attack, severe abdominal pain, poisoning, or loss of consciousness.

Alternative Care

Holistic care to support your overall well-being.

Providence Health Plan offers coverage for alternative care therapies that can help alleviate pain to achieve physical and mental well-being.

Chiropractic care

Chiropractic care promotes health through improving your quality of life and alleviating pain. Chiropractors use clinical expertise and the best available evidence to diagnose and treat conditions that affect your body's movement without medication or surgery. Some of the most common reasons for getting chiropractic care are:

- Back pain
- Neck pain
- Headaches
- Allergy relief
- Numbness, tingling, or weakness

Acupuncture

Acupuncture therapy involves a licensed professional inserting small needles to stimulate specific parts of the body and its neural network. Studies show acupuncture may help manage the following conditions with little risk of side effects:

- Arthritis
- Low back pain
- Neck pain
- Migraines
- Anxiety, depression, or insomnia

Massage therapy*

Massage therapy is performed by a trained massage therapist, who will apply gentle or strong pressure to the muscles and joints of the body to ease pain and tension. Important reasons for getting massage therapy can include:

- Relief from pain
- Diminish stress/better mood
- Relaxation
- Increase mobility
- Reduce injury or improve already injured parts of the body

Visit [ProvidenceHealthPlan.com/FindAProvider](https://www.providencehealthplan.com/FindAProvider) to find an in-network provider.

*Massage therapy isn't covered for all members. Check your benefit summary for coverage details.

Pharmacy Resources

Our preferred retail pharmacy network allows you to save time and money when getting prescription drugs.

Prescription drugs covered under your plan

The plan formulary is a list of FDA-approved medications, including brand-name and generic options, as well as medications that require approval, follow a step therapy program, or have refill limits. Visit [ProvidenceHealthPlan.com/Pharmacy](https://www.providencehealthplan.com/Pharmacy) to view your plan formulary.

A specialty team for specialty pharmacies

Specialty drugs require special care, like refrigeration and handling instructions. Your specialty care team will provide extra support. This includes information, locating a pharmacy, and how to get financial assistance (when available).

Preferred retail pharmacy cost savings

In most cases, if you choose a preferred retail pharmacy, you may pay less when filling a 30- to 90-day supply of medications. You have access to thousands of participating pharmacies nationwide. Visit [ProvidenceHealthPlan.com/FindAProvider](https://www.providencehealthplan.com/FindAProvider) to find a pharmacy near you.

Medications delivered right to your door

Mail-order prescriptions allow you to order medications and have them delivered to your home,¹ saving trips to the pharmacy. Receive free shipping on 30-, up to 90-day medication.
